

**Proposal of merging machining
facility of both Sangkaj Engg
units under one roof.**

Before

- Sangkaj Engineering pvt ltd , has the facility of cold forging ,thread rolling, machining, and Heat treatment at plant on G-3/2/1
- In Sangkaj Engineering pvt ltd, Unit -2, there was facility of machining too.

Trigger for change

- To consolidate the productivity, to enhance quality and to improve capability of development.
- Management has decided to brought all machining facility under one roof.

After

- All machining facility has been brought under one roof ,i.e Sangkaj engineering pvt ltd.G-3/1.
