**PERFORMANCE REPORT FOR OPERATION AND
MAINTENANCE**

We certify that **OPERATION & MAINTANENCE** of Sewage Treatment Plant (STP), Ultra Filtration System (UF) and Effluent Treatment Plant (ETP) by EGES Enviro Solutions Pvt. Ltd. has been satisfactory for more than 3 years now. Till date the plant operates satisfactorily and meets it's specified operating criteria. Preventive maintenance has been done as scheduled by the EGES team and quick response have been observed in any attending to issues. The plant/system and equipment maintenance were found to be good and as such the functioning of the system is classified as "conforming" to TNPCB norms.
