Declaration of No Fire Accidents at Yodha Lab

Yodha Manufacturing and Equipments Private Limited hereby declare that we have not experienced any fire accidents within the premises of our laboratory From 17.03.2019.

Fire safety is of utmost importance to us, and we have taken proactive measures to prevent fire hazards and maintain a safe working environment.

Our staff members have undergone comprehensive fire safety training, which covers fire prevention, evacuation procedures, and the proper use of fire extinguishing equipment.

Adequate safety equipment, such as fire extinguishers, fire blankets, and first aid kits, are strategically placed throughout the laboratory. Clear signage indicating emergency exits, assembly points, and fire safety procedures are prominently displayed.

Based on our records and diligent monitoring, we can confidently affirm that there have been no fire accidents within our laboratory during the specified period.

We remain dedicated to upholding the highest standards of fire safety and will continue to prioritize the well-being and safety of our employees and premises.
