Declaration Of Our Employees Aware of Emergency Response Procedure.

We, **Yodha Manufacturing and Equipments Private Limited** hereby declare that our employees are fully aware of the emergency response procedures. Emergency response procedures are critical to ensuring the safety and well-being of employees in the event of an emergency situation.

We have provided comprehensive training sessions to our employees regarding emergency response procedures. This training covers a range of potential emergency scenarios, including fire, medical emergencies, natural disasters, and evacuation procedures. Employees are educated on how to identify and respond appropriately to various emergency situations.

Based on our records and ongoing monitoring, we can confidently state that our employees are fully aware of the emergency response procedures. They have been trained on the necessary actions to be taken during various emergency scenarios and are equipped with the knowledge to respond effectively.
