Subject: - Appreciation Letter

Dear Sir / Madam

Please treat this as a appreciation letter for our supplier Expert Global Solutions Pvt Ltd. All the qualities that the vendor must process can be found in the operation of Expert Global Solutions Pvt Ltd.

My organization Dr. Hedgewar Hospital has been working with them since 2004 and there has not been a day when we found complaint about their professionalism. They value both time and deliver the goods as well as the services within the stipulated deadline.

I am extremely satisfied with the way they conduct their business and hope that you have the same pleasant experience with them.
