

Date – 01-01-2022

SUB: Safety meeting frequency.

This is to certify that Chicago pneumatic sales (A Division of Atlas Copco India Ltd) does not perform safety meeting in a particular frequency.

Organization hold the safety meeting whenever there is sense of need.

MOM safety committee meeting document attached for your reference.

Also, we follow all the safety guidelines as per the company where we perform service activities.

Like we will follow all the safety precautions as told by the customer i.e. Chicago Pneumatics sales when we are in customer's premises.
