DECLARATION

Subject- Declaration Regarding Hazard Identification and Risk Assessment (HIRA) Study

I am Rahul Deshpande hereby declare That Our Company **Vedant energy solutions LLP** have not conducted a Hazard Identification and Risk Assessment (HIRA) study in the past, we recognize its importance and are committed to conducting the study in the near future. We understand that conducting a comprehensive HIRA study is crucial for identifying hazards, assessing associated risks, and implementing effective control measures..

By providing this declaration, we affirm our commitment to conducting a HIRA study shortly and integrating it into our risk management practices. We understand the importance of identifying and mitigating potential hazards to ensure the safety of our employees and all stakeholders involved.

Your Faithfully

Mr.Rahul Deshpande
