## HSE POLICY

Prelude Enterprises, Component Person Under Factories Act believe that no job or risk is more important than worker health and safety.

If a job represents potential safety or health threat, every effort will be made to plan a safe way to complete the task in a safe manner.

Every Procedure must be a safe procedure. Shortcuts in safe procedures by management and all other associates will not be tolerated.

If a worker observes any unsafe or unprotected exposure which may pose a potential threat to their safety & health, he or she must inform management immediately.

If a job cannot be done safely.....It will not be done.

Every employee is entitled to a safe and healthful place in which to work.
