## PERSONAL PROTECTIVE EQUIPMENT MANAGEMENT

Personal Protective Equipment Management (PPEM) includes all clothing and accessories designed to protect against workplace hazards. In some situations the only available protection for employees will be use of PPEM and often in emergencies, PPEM will be required for the safety of the workers.

As required by federal state regulations. Personal Protective Equipment is essential for the protection of the eyes, ears, face and other body parts when working around hazardous machinery and other equipment, All PPEM must meet established standards (ANSI, NIOSH, OSHA, etc.)

All Personal Protective Equipment (PPEM) is provided by PRELUDE ENTERPRISES, Pune. Employee are not allowed to provide their own PPEM unless authorised by the Proprietor, as a general rule, only company provided PPEM is allowed.
