Subject: to whomsoever it may concern- Two Years Accident-Free at Setco Spindles India Pvt Ltd.

Dear Endurance Technologies Limited Team,

We hope this letter finds you well. We are writing to share some exciting news regarding our commitment to safety and the well-being of our valued customers like you.

At Setco, we take immense pride in our spindle manufacturing and refurbishment services, striving to provide top-notch quality and excellent customer satisfaction. Equally important to us is the safety of our workforce and all those involved in our operations.

We are delighted to inform you that we have successfully achieved a significant milestone in our safety journey. As of July 19, 2023, we have completed two years without a single accident or safety incident at our company. This accomplishment is a testament to our unwavering dedication to implementing comprehensive safety protocols and fostering a safety-first culture among our employees.

Key elements of our safety approach include:

Rigorous Training: Our staff members undergo extensive safety training, ensuring they are equipped with the necessary knowledge and skills to carry out their duties safely.

Regular Inspections: We conduct routine inspections of our facilities and equipment to identify potential hazards and address them promptly.

Compliance with Regulations: We strictly adhere to all relevant safety regulations and industry standards to create a secure working environment.

Incident Reporting and Analysis: In the event of any near-miss incidents, we prioritize reporting and thorough analysis to prevent future occurrences.

Employee Engagement: We actively involve our workforce in safety initiatives, encouraging them to contribute ideas and suggestions to continually improve our safety measures.

As our esteemed customer, your trust in us is of paramount importance. Our accident-free record over the past two years is a reflection of our commitment to delivering exceptional services without compromising on safety.

We understand that your business relies on our reliable and safe services, and we are determined to maintain and improve this track record. Our dedication to safety not only safeguards our employees but also ensures the protection of your equipment and assets during the manufacturing, refurbishment, and repair processes.

Furthermore, we recognize that safety is an ongoing journey, and we remain vigilant in our efforts to identify potential risks and implement additional safety measures where necessary. Our ultimate goal is to achieve an accident-free workplace perpetually.

We thank you for entrusting Setco with your spindle manufacturing and service needs. Rest assured, your continued support inspires us to strive for excellence in all aspects of our operations.

If you have any questions or require further information about our safety practices, please do not hesitate to reach out to our dedicated safety team at 8669664992 or mayurg@setco.com.

Once again, we sincerely appreciate your partnership and look forward to serving you with the utmost care and diligence.

Thank you for being a valued customer.

Warm regards,

Mayur Gaikwad
