**Subject: Safety Record Update - Two Years Without Fatal Accidents Verified by Government Authorities**

Dear **Endurance Technologies Limited, Team,**

We hope this letter finds you well. As a valued customer of Setco Spindles India Pvt Ltd, we believe it is essential to keep you informed about significant milestones achieved by our company. Today, we are delighted to share news that underscores our unwavering commitment to safety and excellence in our operations.

We are proud to announce that Setco has successfully completed two years without any fatal accidents within our premises. This significant achievement reflects the dedicated efforts of our entire team and our commitment to maintaining the highest safety standards in all aspects of our spindle manufacturing, refurbishment, rebuild, and repair services.

To provide you with absolute confidence in our safety claims, we have sought validation from the Government of Maharashtra and the Department of Industrial Health and Safety (DISH) Maharashtra. We are pleased to inform you that our safety record has been thoroughly verified by these esteemed authorities, ensuring complete transparency and accountability.

**Our safety achievements are a result of several key factors:**

**Stringent Safety Protocols:** We have implemented rigorous safety protocols at every level of our operations to minimize risks and prioritize the well-being of our employees and all stakeholders involved.

**Regular Safety Audits:** Our facilities undergo regular safety audits conducted by qualified professionals to identify potential hazards and address them proactively.

**Employee Training and Engagement:** Our workforce is equipped with extensive safety training, ensuring they are well-prepared to handle any situation safely. We also encourage employee participation in safety initiatives to foster a culture of shared responsibility.

**Government Compliance:** We strictly adhere to all safety regulations and guidelines set forth by government authorities to maintain the highest standards of safety.
