Subject: Safety Record Update - Two Years Without a Fire Incident

Dear **Endurance Technologies Limited Team**,

We hope this letter finds you well. At Setco Spindles India Pvt Ltd, we are dedicated to providing exceptional spindle manufacturing, refurbishment, rebuild, and repair services to our valued customers like you. As much as we take pride in our services, we equally prioritize the safety of our employees, clients, and facilities.

We are delighted to share with you a significant milestone that highlights our commitment to maintaining the highest safety standards. Over the past two years, Setco has not experienced a single fire incident within our premises. This achievement is a testament to the rigorous safety measures we have in place and the collective efforts of our entire team.

The prevention of fire incidents can be attributed to the following key elements of our safety approach:

State-of-the-Art Fire Safety Equipment: We have invested in modern fire safety equipment, including fire extinguishers, smoke detectors, fire alarms, strategically placed throughout our facilities.

Regular Fire Safety Drills: Our employees undergo regular fire safety drills and training to ensure they are well-prepared to respond swiftly and effectively in case of an emergency.

Strict Adherence to Safety Protocols: We strictly follow safety protocols to prevent fire hazards and ensure that all potential sources of ignition are appropriately managed.

Safety Inspections and Audits: Our facilities undergo frequent safety inspections and audits to identify and address any potential fire risks promptly.

Comprehensive Fire Safety Plan: We have a comprehensive fire safety plan in place, outlining the actions to be taken in case of a fire, and we continuously review and update this plan to ensure its effectiveness.

Our priority is to ensure a safe working environment for our employees and the protection of our customers' valuable assets during the manufacturing, refurbishment, and repair processes.

We deeply value the trust and confidence you place in Setco for your spindle-related needs. Our fire incident-free record would not have been possible without the continued support of customers like you.

If you have any inquiries or require further information about our fire safety practices, please feel free to contact our dedicated safety team at 8669664992 or mayurg@setco.com.

Thank you for being a part of our journey, and we look forward to continuing our partnership with you, providing top-quality services with safety as our utmost priority.

Warm regards,

Mayur Gaikwad
