Subject: Information regarding Complaints Registered Against Contractor under Labour Laws

Dear Endurance Technologies Limited,

I am writing this letter to provide you with information regarding any complaints that have been registered against Ceryle Innovative Technologies LLP under the applicable labour laws. We understand the importance of transparency and accountability in our business relationships, and we are committed to providing you with the necessary details.

To the best of our knowledge and records, we can confirm that there have been no complaints registered against Ceryle Innovative Technologies LLP under the labour laws during their engagement with our company. We have thoroughly assessed the contractor's compliance history, and there have been no reported violations or grievances related to labour laws.

We value our working relationship with [Contractor's Name] and have taken steps to ensure that they adhere to all relevant labour laws and regulations. As part of our standard practices, we conduct regular audits and assessments to verify their compliance with legal requirements, including those pertaining to labour laws.

Should you require any further information or have specific concerns regarding the contractor's compliance with labour laws, please feel free to reach out to us. We are committed to providing you with the necessary information to ensure confidence in our business partnership.
