Subject : Wanner Hydra-Cell pumps for Oil & Gas

Dear Sir,

This is to confirm that Machinomatic Engineers is our sole partner for promoting and supporting Hydra-Cell / Wanner product lines, on behalf of Wanner International Ltd and the Wanner group of companies in India, the relationship being well established over the last 20 years.

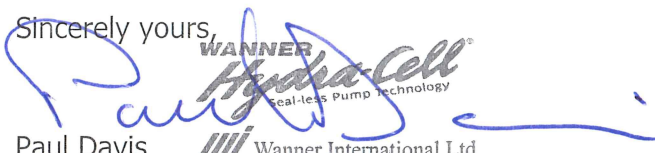

Symach Engineers is a group company of Machinomatic Engineers, and we confirm to support you to successfully promote our pumps to be supplied to customers complete with motor and other accessories as required by the customer.

As per the arrangement discussed, once you receive the order you will place the order for pumps on us and we will supply the same on mutually agreed commercial terms.

Symach Engineers is the authorised assembler of WANNER / Machinomatic.

I hope this is in line with our discussions and we request you to go ahead and work on this understanding immediately. Should you need any clarification or other support, do let us know.

Sincerely yours,

WANNER
