PUNE 410501 (MH)

Dear Sir,

Since the Installation of the FRP Cooling Tower is of maximum 3-4 mtr height and it is done from inside, the assembly process is very very safe. No casualty (minor or major has been reported till date.

Thanking you and assuring you of our best services at all times, we remain.

Best Regards,

For HIMGIRI FRP COOLING TOWERS PVT. LTD.
