one of the potential hazards that we need to be aware of, and must ensure that we are ready and Fire Prevention Techniques competent to handle, at any time, is how to:

and Equipment

.... For us to be able to deal with any of these aspects of fire fighting and control, we need to understand a few different things, such as:

The chemistry of fire

Methods of extinguishing a fire

ignition

Fire extinguishing

mediums

Firefighter rules

Remember the emergency number for the fire brigade! We Believe In Making Sure Your Loved Ones Return Home Safe After Work
