

ABHISHEK HOSPITALITY SERVICES

FUNCTION AND RESPONSIBILITIES

Abhishek Hospitality Services specializes in providing canteen and manpower supply services to various organizations. The functions and responsibilities of Abhishek Hospitality Services in these areas are as follows:

Canteen Services:

- a) Food Preparation and Service: Abhishek Hospitality Services is responsible for preparing and serving meals, snacks, and beverages to employees in a convenient and hygienic manner.
- b) Menu Planning: They develop menus that cater to the diverse tastes and dietary requirements of employees, considering factors such as cultural preferences, dietary restrictions, and balanced nutrition.
- c) Hygiene and Sanitation: Abhishek Hospitality Services ensures that the canteen area, including the kitchen, dining area, and food storage areas, is regularly cleaned and sanitized to maintain a clean and safe environment, minimizing the risk of food contamination and illnesses.
- d) Compliance with Food Safety Regulations: They adhere to applicable food safety regulations and guidelines to ensure that all food handling, storage, and preparation practices meet the required standards.
- e) Customer Service: Abhishek Hospitality Services provides excellent customer service by addressing employee queries, concerns, and feedback regarding the food quality and dining experience.

Manpower Supply:

- a) Recruitment and Selection: Abhishek Hospitality Services is responsible for sourcing, recruiting, and selecting suitable candidates to meet the client's manpower requirements. They employ rigorous screening processes to ensure the qualification and competence of the candidates.
- b) Training and Development: They provide necessary training and orientation to the hired manpower, equipping them with the skills and knowledge required to perform their assigned tasks effectively and safely.
- c) Deployment and Supervision: Abhishek Hospitality Services ensures the timely deployment of manpower to the client's premises and maintains proper supervision to monitor their performance and adherence to work standards.
- d) Compliance with Labor Laws: They ensure compliance with applicable labor laws, including minimum wage requirements, working hours, and other labor-related regulations, to protect the rights and welfare of the supplied manpower.
- e) Employee Welfare: Abhishek Hospitality Services takes care of employee welfare by providing appropriate amenities, facilities, and necessary support to ensure a healthy and conducive work environment.
