TO WHOMSOEVER IT MAY CONCERN

We GTCSP, engaged in Thermal Insulation EPC contracts, required PIR/PUF Panel Insulation for Clean/Cold Room building for our group company M/s South India Bottling Co pvt Ltd(manufacture of Coco cola) at their Thirunelaveli Plant. Towards this, we had engaged M/s UHS ENGINEERING, Chennai vide order No GTCSP/UHS/003/19-20 dt 27.11.2019 for total supply and erection of Insulation panel for Clean/Cold room building and they were also our consultant for ducting & refrigeration services.

Total completed value of Clean Room -Rs 24,20,431.

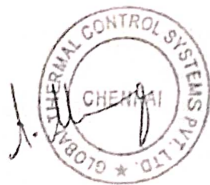

We would like to place on record that M/s UHS ENGINEERING has done excellent workmanship and have been highly professional in their approach.

We have no hesitation in recommending them for similar work.

We wish M/s UHS ENGINEERING good luck for the future projects.

Thanking you,

For Global Thermal Controls system Pvt. Ltd
