## HSE POLICY

The Management of MANISHA ENTERPRISES is committed to improve the working environment For our employees and in general for the community we live in. We have put in a number of procedures To deal with the environmental issues affecting our business activities.

The health and safety of our employees are top priority. We pride ourselves in achieving zero accidents and injuries from the emphasis of inculcating safe work practices in all areas of the business.

To achieve the target of the HSE Policy, the Management shall:

- \* To provide and ensure appropriate personal protective equipment (PPE) are worn by the employees carrying out their task
- \* Comply with the applicable HSE Legal and other requirements.
- \* Conserve environment, ensure all tools are safe for use, to supervise employees on their work practices and to promote awareness in aspects of health, safety and environmental cares
- \* Ensure that all employees shall participate in the Health and Safety programs
- \* Protect employees, clients, sub-contractors, visitors and assets from any harm

The effectiveness of our policy may be achieved with the involvement of all level of management and also the support of all employees.

DIRECTOR
