## Emergency Preparedness & Response Plan

The functions & responsibilities of this committee are to:

1. Participate in the committee responsible for drafting mitigation & emergency plans.
2. Coordinate the drafting, approval, execution, & evaluation of the plans.
3. Establish & maintain communication & coordinate activities with the public entities responsible for emergency response at the local or national level.
4. Maintain contract with commercial suppliers or providers of equipment, producers of chemicals, & professional associations that can contribute to disaster & emergency response.
5. Carry out periodic review & updating of the emergency plan.
6. Develop necessary budgets for implementing the plan & present them to the appropriate units.
7. Declare internal emergency alerts if an emergency has not been declared by national authorities.
8. Provide & supervise ongoing training of personnel in emergency procedures.
