

Declaration For Method of Statement & Method of Statement Adherence

As a partner in Jay Vijay Construction LLP Kolhapur, I, Shrikant Chandrakant Patil, would like to inform you that we adhere to the Method of Statement process as part of our company's standard operating procedure. Prior to the commencement of any on-site work, we meticulously create a Method of Statement that encompasses the job description, potential risks, and essential safety measures. For your reference, I have attached a copy of our Method of Statement specifically designed for water proofing work at building terraces.

Thanks & Regards

Shrikant Patil
