## EQUIPMENT MAINTANANCE DECLARATION

All tools and equipment utilized in our operations are meticulously maintained, ensuring they are in optimal working condition. Furthermore, each tool and equipment item strictly adheres to established standards, such as possessing an ISI Mark or complying with Energy Efficient 5-star rating guidelines.

The holding handles of all equipment are regularly inspected and are found to be in excellent condition. Additionally, our plants and equipment consistently meet and comply with all safety requirements. This includes a thorough check to confirm the absence of damaged cables and the presence of secure, tight connections.

Moreover, our contract employees possess the requisite licenses and certificates essential for proficiently operating the various plants and equipment, assuring their competence in handling these resources safely and efficiently.
