DECLARATION LETTER

Subject: Declaration of Regular Inspection and Maintenance of Hand Tools and Machinery

I am pleased to confirm that our organization diligently conducts regular inspections and maintenance of hand tools and machinery to ensure optimal performance and safety standards. We understand the importance of maintaining equipment in good working condition to promote a safe working environment for our employees.

Our maintenance protocols include scheduled inspections, timely repairs, and necessary replacements to uphold the efficiency and safety of all hand tools and machinery used within our organization.

Mr. Akansh Jaiswal

VARC INTERNATIONAL PRIVATE LIMITED

Sincerely,

Director
