DECLARATION LETTER

Subject: Declaration of Organization's Awareness of Method Statement and Adherence.

We are pleased to confirm that our organization is fully aware of the importance of Method Statements and diligently adheres to their guidelines and procedures. Method Statements play a crucial role in ensuring the safety, efficiency, and quality of work carried out within our organization.

We prioritize the implementation of Method Statements for various tasks and projects to outline the planned approach, potential risks, and safety measures involved. Our employees are trained to follow Method Statements meticulously to maintain high standards of workmanship and safety.
