DECLARATION LETTER

Subject: Declaration of Holding Handles of Equipment in Good Condition.

We are pleased to confirm that the holding handles of all equipment within our organization are maintained in good condition. We understand the importance of ensuring the safety and comfort of our employees while using equipment, and the condition of holding handles plays a crucial role in this aspect.

Regular inspections, maintenance checks, and prompt repairs are conducted to keep the holding handles of equipment in optimal condition. We prioritize the well-being and ergonomic needs of our employees to promote a safe and efficient working environment.
