DECLARATION LETTER

Subject: Declaration of Compliance of Plants and Equipment with Safety Requirements.

I am writing to confirm that all plants and equipment within our organization are fully compliant with safety requirements. We prioritize the safety and well-being of our employees and stakeholders, and ensuring compliance with safety standards is a top priority for us.

Our plants and equipment undergo regular inspections, safety audits, and maintenance checks to ensure they meet and exceed safety requirements. We are committed to providing a safe working environment by adhering to all relevant safety regulations and guidelines.
