## Health and Safety Policy

This Policy will apply to Jeneliya Engineering at all locations.

### Policy

Jeneliya Engineering is committed to providing a healthy and safe work environment for its workers and preventing occupational illness and injury. To express that commitment, we issue the following policy on occupational health and safety

As the employer Jeneliya Engineering is responsible for the health and safety of its workers. Jeneliya Engineering will make every effort to provide a healthy and safe work environment. We are dedicated to the objective of eliminating the possibility injury and illness.

As a partner I give you my personal promise to take all reasonable precaution to prevent harm to Workers

Supervisor will be trained and held responsible for ensuring that the workers, under their supervision follow this policy. They are accountable for ensuring that workers use safe work practices and receive training to protect their health and safety.

Supervisors also have a general responsibility for ensuring the safety of equipment and facility Jeneliya Engineering through all levels of management, will cooperate with the joint occupational safety and health (JOSH) committee or the health and safety representative and workers to create a healthy and safe work environment Cooperation should also be extended to other such as contractor owners officers and so on

The workers of Jeneliya Engineering will be required to support this organizer's health and safety initiative and so cooperate with the JOSH committee or health & safety representative and with officers exercising authority under the applicable laws.

It is duty of each worker to report to the supervisor or manager, as possible, any hazardous conditions injury accident or illness related to the work place. Also workers must protect their health and safety by complying with applicable Acts and regulations and following policies, procedures, rules and instructions as presented by Jeneliya Engineering
