INDUSTRIAL ESTATE SANAND
GIDC AHMADABAD – 382110

We Roborbit Automation and Technologies Pvt Ltd, located at Plot no B-26, Waluj MIDC, Aurangabad-431136, undertakes to ensure the following regarding Personal Protective Equipment (PPE):

1. Provision and Training: We will provide necessary PPE and conduct training on its proper use and maintenance.
2. Regular Inspections: PPE will be regularly inspected and promptly replaced if found defective.
3. Maintenance Guidelines: Clear guidelines will be provided for the maintenance of PPE, including cleaning and storage instructions.
4. Employee Responsibility: Employees are expected to use and maintain PPE properly and report any issues immediately.
5. Continuous Improvement: We will continuously improve our safety protocols based on employee feedback.

By following these principles, we aim to maintain a safe work environment for all our employees.
