### Declaration

We, Roborbit Automation and Technologies Pvt Ltd, located at Plot no B-26 Waluj MIDC Aurangabad-431136, hereby declare that we conduct regular health monitoring and medical check-ups for all our employees. These check-ups are carried out in accordance with Form 7, and fitness certificates are obtained from qualified AFIH (Associate Fellow of Industrial Health) doctors.

Details of Health Monitoring and Medical Check-Ups:

1. Frequency: Medical check-ups are conducted annually for all employees.
2. Certified Medical Professionals: All health assessments and fitness certifications are performed by AFIH certified doctors to ensure compliance with health and safety standards.
3. Documentation: Records of each employee's health check-up, including the date, doctor's name, AFIH certificate number, and fitness status, are meticulously maintained.

We affirm our commitment to the health and well-being of our employees and ensure that all necessary measures are taken to monitor and safeguard their health.
