

APS CONTROL

ENVIRONMENT, HEALTH & SAFETY (EHS) POLICY

APS Control is committed to maintaining and enhancing the organization's Environment, Health, and Safety (EHS) performance by:

1. Providing and maintaining a healthy working environment at all times.
2. Striving to ensure adequate control of health and safety risks arising from work activities.
3. Offering comprehensive instruction, training, supervision, and other relevant health and safety information to all employees.
4. Ensuring that all employees are competent to work safely in their respective roles.
5. Continuously consulting with and updating employees on all health and safety issues.
6. Conducting risk assessments for all common tasks performed by employees.
7. Encouraging all employees to take reasonable care for their own health and safety, as well as that of their colleagues, and to report any hazards they cannot personally control to the appropriate personnel.

You're faithfully
