## WORK PERMIT AWARENESS

Our All employees are aware of work permit system in which we follow safety guidelines such as below.

- 1) Our organization has a WC Policy for all of our employees.
- 2) We use Safety Shoes while working.
- 3) We have standard tools having ISI mark.
- 4) We use hand gloves & safety goggles while working wherever required.
- 5) We are aware while working what necessary things to do.
- 6) We know assembly point to gather at the time if any emergency alarm generates.

## EMERGENCY RESPONSE PROCEDURE

Our All employees are aware of EMERGENCY PROCEDURE in which we follow safety guidelines such as below.

- 1) Immediate inform to supervisor for any emergency related to health.
- 2) First Aid to location to be known in case of minor injury.
- 3) Site Layout must be known such as assembly point.
- 4) Working in safe zone is necessary.
- 5) Emergency Contact number must be known for fire alarm or any other emergency.
- 6) Prevention, mitigation, preparedness, response and recovery are the five steps of Emergency Management which we will follow.

You're faithfully
