Health, Safety, and Environment (HSE) Commitment Statement

At New Tech Automation, we recognize the importance of health, safety, and environmental stewardship in everything we do. While we may not have a formal HSE policy, we are dedicated to fostering a safe and healthy work environment for our employees, clients, and the communities we serve.

Our Commitments:

- **Safety First:** We prioritize the safety and well-being of our employees and are committed to promoting safe work practices.
- **Environmental Responsibility:** We acknowledge our responsibility to minimize our environmental impact through sustainable practices in our operations.
- **Open Communication:** We encourage our employees to communicate openly about health, safety, and environmental concerns, promoting a culture of vigilance and awareness.
- **Continuous Improvement:** We strive for continuous improvement in our health, safety, and environmental practices, learning from experiences and adopting best practices.

By embracing these commitments, we aim to ensure that our operations contribute positively to the welfare of our employees and the environment.
