PO - TERMS AND CONDITIONS

- 1 Sansera purchase order number with date, material code and supplier code must appear in your documents at the time of supply.
- 2 If we do not receive any communication from you within 10 days from receipt of this order, acceptance of our order will be taken for granted.
- 3 Strict adherence to the delivery schedule is absolutely essential. We reserve the right to treat the order as canceled in the event of your noncompliance of the delivery schedule.
- 4 Challans should be made separately for each order. Invoice should be submitted in duplicate more than one Invoice should not be made for items against a single challan payment shall be made only for material accepted by us.
- 5 We assume no responsibility for goods supplied in excess of the specified quantity.
- The material on receipt will be inspected by us and rejections will be notified. Such rejected material must be lifted from our stores within 10 days from the date of intimation. Unless otherwise agreed to by us, it may be noted that while assembling or processing, if further defects are noticed, we reserve the right to reject such material even if in the first instance it has been accepted by us and / or paid for. Our decision about such rejections at whatever time made shall be final and binding upon you and you will not object to it in any manner whatsoever. All packing, Octroi, freight, handling costs and / or any other cost of such rejected material will be borne by you.
- As soon as the goods supplied by you are rejected, corresponding debits will be raised in your account with us and intimation will be sent to you. These debits must be cleared immediately on receipt of our intimation; failing and we will be at liberty to recover the cost thereof otherwise.
- 8 We extend warranty for all our products and any claims accepted by us arising from defects in material supplied by you will be passed on to you for similar acceptance. Our decision in this matter shall be final and binding upon you.
- 9 Designs, drawings, samples, technical data, tooling, gauges etc., given to you by the Company are exclusive property and shall be retained by you in safe custody and the strictest confidence. The designs, drawings, samples, technical data, tooling, gauges etc., will not be allowed to be copied, duplicated, modified, passed on or revealed in any manner to any unauthorized person and they shall be returned to the company on demand. In the event of completion or cancellation of the order, they will be returned to the company without demur.
- 10 The items manufactured by you from data furnished by us must not be sold or divulged by you to any other party. If you manufacture in excess of the schedule quantities, you shall preserve the same, for ultimate sale to us on our demand, if any, or alternatively you will destroy the goods so manufactured by you, but on no account you will sell the goods to any other party except with our written consent. The same condition applies to supplies rejected by us at various stages.
- 11 Parts similar to part manufactured for us should not be manufactured by you. You shall also not cause them to be manufactured by any one else.
- 12 We reserve the right to amend, alter or cancel this order and delivery schedule without assigning any reason and without in any manner incurring any liability on us.
- 13 The prices, terms, and conditions mentioned in this order will be taken as firm and cannot be changed until the order is fully executed.
- 14 Packing, forwarding, cartage and freight charges will be borne by you unless otherwise stipulated in the Purchase Order.
- 15 All Bank charges etc. will be borne by you if payment is required through bank.
- 16 The company will not be responsible for any order placed or instruction given by any unauthorized person.
- 17 In case of an order for components against our material, the supply of components must be effected within the limits of percentage rejection allowance agreed to by us failing which cost of the material used up to rejected components will be recovered from you.
- 18 Please ensure that materials are packed in proper packing so as to reach us without any damage in transit.
