At USHA FIRE SAFETY EQUIPMENTS PVT LTD, we are committed to serve our customers in an efficient and effective manner and emerge out as market leader in the area of safety

To achieve this culture of best-in-class HSE practices, all employees of USHA FIRE SAFETY EQUIPMENTS PVT LTD are committed to achieve the following objectives:

- Being an HSE organisation we ensure HSE practices at personnel level.
- Strive to conserve natural resources by reducing waste generation and disposal of wastages in the prescribed manner as per norms, thereby protecting the environment.
- Actively involve personnel in identification and elimination of hazards in usage of appropriate PPE's wherever warranted.
- Providing training and awareness to all employees on HSE policies and procedures to promote safe behaviour.
- Showing management commitment to HSE and paying due attention to health, safety behaviours including road safety by all personnel and ensure internal and external communications.
- Evaluate and continually improve our Health, Safety and Environment performance in order to achieve the HSE benchmark.
