QUALITY MANAGEMENT SYSTEM

OUR QMS

Our QMS shall consist of :

- Detailing the Methodology for various Quality-affecting activities & Provision of Resources**
- Implementation of the documented procedures**
- Periodic Audits of our QMS**

OUR QMS

**We have documented procedures for the following.
The same are being implemented at all our
construction projects.**

- **Planning & Monitoring**
- **Drawing Control**
- **Document Control & Maintenance of Quality Records**
- **Incoming Material Receipt, Inspection & Testing**
- **Material Receipt, Acceptance & Storage**
- **Calibration of Measuring & Test Equipment**
- **Purchases of Quality Affecting Materials**
- **Selection & Evaluation of Sub-contractors**
- **Process Control for various activities**
- **Maintenance of Plant & Machinery**
- **Safety & Housekeeping**
- **Corrective & Preventive Action**
- **Customer Complaints Handling**
- **Final Check & Handover**
- **Procedure for Maintenance, etc.**

PROCUREMENT

- **We have formulated a procurement plan in line with the Master Construction Program. For the bought-out items, we will prepare a Sample Approval Plan with target dates.**
- **We will produce the samples/mock-ups for the various items, as per our plan. We would request timely approvals to enable timely accomplishment of the milestone completion dates for all the activities.**

INSPECTIONS

- Inspections shall be carried out by all supervisory personnel for all quality-affecting activities.
- There shall be random checks on a daily basis by the QCE.
- Finally there shall be random checks by the PIC on a weekly basis.
- Records of Inspections shall be maintained through checklists.

VENDOR SELECTION

The vendors shall be selected based on our experience on past projects. We shall select our vendors based on the following factors :

- i. Safety in operations**
- ii. Quality of works**
- iii. Timely completion**
- iv. Housekeeping**
- v. Capacity of deploying adequate manpower**
- vi. Capacity of increasing manpower
Co-ordination with other agencies**

VENDOR EVALUATION

- **The performance of all the vendors working at the site shall be evaluated on a monthly basis.**
- **The PIC shall personally review the performance of all the vendors.**
