Dear Sir,

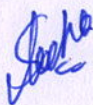

This is reference to above subject, we are pleased to inform you that above said plant has been successfully commissioned and handed over for production.

In this connection we are enclosing our detailed commissioning report in three sets; kindly give us one copy of the report duly signed by you for our record purposes.

We have already set the parameter of the plant as per design condition and all operation has been explained and given training to your operators and respective members.

Thanks for your co – operation and help during installation & commissioning.
Thanking you & assuring you best services at all times, we remain,

For, Electrocoat Equipments (I) Pvt Ltd, Pune.
