## MEDICAL CHECKUP POLICY

All employees have to undergo Medical Check-up from the authorized medical centres by the organization. Employee Medical check up is to ensure physically fit and healthy enough to contribute towards work to check whether stable and immune enough adhering to all environments and to provide you a medical insurance based on your health report to prevent spread of contagious diseases to other employees. Everyone employee must take a medical test before entering in to the organization

The frequencies for medical check-up follow as:

1. Pre selection
2. Yearly
3. The injury or illness to which the candidate is already has.
