Dear Sir,

We acknowledge the contribution of M/s. N B Technologies in various project activities executed in our Kandivali Plant.

M/s N B TECHNOLOGIES have successfully upgraded the transmission test rigs for End of Line Transmission Testing at our  
The approximate total project cost was INR 45,00,000 /- (Rupees Forty Five Lacs ).  
These test rigs are being used by us since last 3 years in production line.

The upgraded system has met our requirements and it is functioning well since the time of its commissioning.  
M/s N B TECHNOLOGIES have offered timely support during warranty period as well as post warranty.  
Their technical team is well qualified and supporting. They are one of the good solution providers in Automotive Test Systems

Wishing All the Best and Looking forward to more business opportunities to RISE together!
