This is a certificate for Hydro Pneumatic Services that we have given following Project for our India Kawasaki Motors Pvt Ltd, Building B,Multi Model Logistics and Industrial Park, Plot No-05 ,Chakan, Phase-II ,Village Khalumbre ,Tal ,Khed ,Pune ,410501 ,Details of projects mentioned below :

- 1.Aluminium Piping for the Main pneumatic line in Production side
- 2.GI piping for the Main pneumatic line in R&D test cell
3. Water Sprinkler system (Exhaust Fume cooling system), where exhaust fume temperature reduces by using water nozzle in R&D test cell
4. Shower testing setup for vehicle
5. Exhaust blower and ducting work

All works are satisfactory and we are satisfying with the performance of each Job.

The Hydro Pneumatic Services to be best in Engineering, Installation and schedule, we also got good service after sale

We specially like to appreciate the Hydro Pneumatic Team for their good effort to complete the Job satisfactory within time & response

We are looking forward to an excellent continuing business relationship and service support.

Thankyou so much

Thanks & Regards
