ENVIRONMENT, HEALTH AND SAFETY POLICY

We, At Leading Network Systems Pvt Ltd. are committed to create and maintain a Safety & Healthy work place in our organization. We will provide services to our clients without causing unacceptable harm to the environment.

Environment, Health & Safety will be integrated with all our decisions and activities and we will continually improve our performance on this front.

We will achieve this through: -

1. Complying with all applicable legislation, regulations & Environmental, Occupational Health & Safety requirements.
2. Institutionalization of EHS Management system, with an organizational setup.
3. Encouraging & Training to institutionalize EHS Policy and guidelines throughout the organization.
4. EHS Consideration for new facilities during Project stage.
5. Ensuring that workforce (Direct /Indirect/Contractors/ Sub- Contractors) employed at workplaces shall follow guidelines.
6. Continual Improvement in Environment, Health & Safety performance.

These are our commitments to Environment, Health & Safety and creating sustainable opportunity everywhere we operate.
