Health, Safety & Environment Policy

OMNISCIENT TECHNOLOGY is committed to continually improve the health, safety & Environment system for the benefit of the employees and associates. In our endeavor to achieve this, we shall :

- 1-Set objectives and targets in health, safety & environment systems and practices aimed at preventive steps.
- 2-Provide sufficient resources in terms of finance, information, training and supervision for the effective implementation.
- 3-Recognize the commitment and co-operation required at all the levels.
- 4-Comply with all the relevant legislative, regulatory and voluntary requirements.
- 5-Hold all the levels of management accountable for health, safety and environment matters in their area of responsibility.
- 6-Enhance customer satisfaction through creation of safe and healthy work environment.

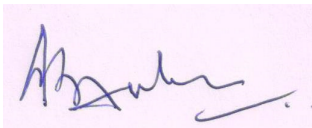

The policy is based on the fundamental belief that all work related injuries and illness are avoidable. There is no task that we undertake which is so important that we can't take time to find a safe way to do it.

This policy will be revised once in a three years or whenever circumstances indicate a review as necessary.

Thanking you

Yours truly,

For **OMNISCIENT TECHNOLOGY, PUNE**
