

# LEADERSHIP TEAM

## CEO

Mr. Anil has more than **25 years of experience** in the field of Security and Manpower related services. He started his venture with a count of only 15 guards and it took only three years for him to flourish his expansions with a rate of **500%** and the count continues to increase with every passing year. Client satisfaction and staff welfare are on top of his priority lists. His mantra of success is, he believes in his employees and considers his team as his greatest strength. He is a proud entrepreneur who has always maintained to touch the lives of his employees. His vision of not compromising with any financial benefits passed on to the staff, has always helped the organization to be on the right side of the government authorities on compliance. He is working hard to make ANSEC a pan-India player in security services. He believes and carries forward the message to “stay loyal to organization and organization will always be loyal to you”. His other attributes include excellent leadership, blessed with foresightedness, calm, kind-hearted, respect to humanity and he never loses focus on his goals in life.
