

SAI SADHANA

AIR CONDITION & ELECTRICALS

S. No. 69, Mauli Nagar, Dighi, Pune- 411015.

M. S. Patil, Mob.: 9881946549

Email : saisabhanasystems@gmail.com

Ref. No.

Date:

इंडस्ट्रियल टेक्नॉलॉजी इंडिया लिमिटेड
चक्रवर्ती, P पुणे.

नाव :- सार्ज साधना राअर कंडिशनर

वेडर कोड :- 210322

विषय :- **Plant & Equipment**

प्रिय सर,

*** Equipment**

* used

- 1) Multimeter - Voltage check, Amp check, Continuity check, transistor gain, frequency check etc.
- 2) charging line gauge - Gas pressure testing gauge (ex AC, Refrigerator)
- 3) insulated plier - This is safely used on electrical circuits without risk of an electric shock. A plastic coating around the spanner handle & something over its head provides insulated barrier which prevents electricity passing into the user.
- 4) Drill machine - Drill machine are used to correct & clear box specific diamention used without damage other machine & space.
- 5) vacume pump - used to remove air or gas particles it's used for various industrial application.
