Please followed below safety points.

1	Wear appropriate personal protective equipment (PPE), including hand gloves, Safety goggles and Nose mask.
2	Do not use any chemicals or equipment without proper training and instruction.
3	Keep a fire extinguisher, first aid kit and emergency number in case of emergency.
4	Read the MSDS (Material Safety Data Sheet) of all chemicals so you can understand their hazards.
5	Take care of washing hands and avoid direct contact with any chemical.
